

*Marshall Milton Keynes AC*

**Help!?! Your club needs you**  
**Track and clubhouse spruce up day!**  
**Saturday 18<sup>th</sup> April 9am**

The success of the club depends on the hard work of its volunteers, so come along and lend a hand as we tidy up and make good the wear and tear at the track and clubhouse on Saturday 18<sup>th</sup> April starting at 9am, aiming to finish mid-afternoon. No experience or professional skills are required; just some elbow grease and energy (a sense of humour might come in handy as well!!) Many hands make light work, so given the club membership database, and with the help and support of younger athletes' mums, dads and carers, we should be able to make the facilities look better ready for the summer. we have a list of jobs to do and the club will provide all materials and food/refreshments on the day.

If you can help, please phone/text/ email either:

Jackson Ryan 07717 027218 [jacksonryan52@googlemail.com](mailto:jacksonryan52@googlemail.com)

**Did you know?**

We are very fortunate to have a great track and facilities at the club. You may not know that the track and clubhouse are the property of Stantonbury International School, but under the terms of our use, we do not pay "rent" but we have a duty to maintain and keep the facilities in a good state of repair, as well as provide equipment that complies with UK Athletics specifications. Amongst our commitments in the medium term, for example, we need to replace the floodlighting (budget £90k – grant to be applied for) and new throwing cages (budget £18k – grant applied for). So, every penny counts and any help / expertise you can give to the club would be greatly appreciated.
